Guest Experience

If it's a private brand event you're hosting and you want to take things to the next level, we can help you style up a storm that offers an atmospheric experience for your guests!

How our service works

- As a national company with over 17 years in the industry, we have a wealth of experience to offer as well as a diverse and versatile product range available to hire. We'll deliver on the day, install your vision and then take everything away once you're finished, leaving you to focus on the finer details.
- At Ambience Venue Styling UK we've had the pleasure of working alongside a number of high end brands and businesses to enhance their advertising campaigns and promotional launches with the help of beautifully styled and staged settings. Unfortunately we can't mention too many names as we've signed NDA's but Astrid & Miyu and Rolex are amongst our previous clients.

- We've styled creative content for social media usage, catwalk shows, private dining experiences and promotional gift guides just to name a few!
- Looking for something unique? We'll try our best to source this for you where possible and if you're providing some of your own items and need assistance in styling these, we can help with that too!

Design Concept

We'll work alongside your team to ensure that your design brief is met and curate a look that will ensure you capture the attention of your target market. Simply book an online Zoom consultation with us and we'll then send across your personalised design concept and quote to review.

Testimonial

"Thanks so much for all your help and hard work, we really appreciate it! It was such a pleasure working with Lydia at Ambience North Yorkshire. Lydia really took the time to understand our brief, she really listened and beautifully brought our ideas to life for our latest Christmas campaign shoot for Astrid & Miyu, even to the smallest details. The end result was beautiful and we're so grateful to her and the team at Ambience Venue Styling!"

Amy Gough, the Global Senior Brand Marketing Manager, Astrid & Miyu
